Subject: Electronic register activation communication for primary and pres front school pupils

Dear parents and guardians,

with this it, is communicated that we are preparing the activation of the Electronic Register for all primary and pre-school pupils of the IC Soliera.

We ask you to fill in the form at the back to allow us to collect all emails to be associated with the parent/guardian.

Once collected all emails from parents-guardians a direct will be sent to each of them, with credentials to access the electronic registry "Nuvola".

To activate the Electronic Registry, just follow the procedure, to change the user name and the initial password. There are some tutorials on the site.

The Electronic Register is an extra tool of communication and an additional opportunity to learn about the lesson topics and the activities provided.

Information about individual pupils can only be accessed by their parents. No parent will ever see a pupil's information other than their child.

For problems with accessing the "Nuvola" electronic register, please send an email to moic808007@istruzione.it or contact the education secretary on 059/567234.

For issues related to Google Apps (including Classroom) and the Institute account, you can ask for support from the class/subject teacher who will inform the digital contact of the frequency plexus.

The Headmistress of the IC Soliera

Dr Tiziana Segalini

Autographed signature replaced by printing
